"To Serve and Protect from the Air"

Support the Pasadena Police Department Air Operations Unit's Request for a Waiver/Exemption

The Pasadena Police Department Air Operations Unit is requesting a waiver/exemption to FAA Provision 14CFR 61.51(j)(1) and (j) (4). Please click on the hyperlink below to leave your comments and support this exemption request.

The Docket Number is FAA-2014-0607.

To access the petition (and submit a comment):

- Go to <http://www.regulations.gov/#!home> on the Internet
- In the window marked "Search" enter the docket number plus "-0001", "FAA-2014-0607-0001"; then click on "Search"
- When the line "[Pasadena Police Department - Air Operations Unit - Exemption/Rulemaking](#)" appears, click on it.
- When the next page appears, click on "View attachment": PDF." You can then read or print out the petition. Depending upon the speed of your internet connection, it may take some time to download (it's a large file)
- To submit a comment, click on X at the upper right corner of the PDF; this will take you back to the previous page. Then click on "Comment now!" Follow the instructions on the page that appears. You can either enter your comment in the "Comment (required)" window, or download a file (Word or PDF is best) containing your comment -- on letterhead paper, for example. If you download a file, be sure to enter PLEASE SEE ATTACHED FILE in the "Comment (required)" window. If nothing is entered there, the system won't accept your comment.
- Unless you want to submit anonymously (which diminishes the credibility of the comment), enter your name in the spaces provided. If you want to provide further information (name of department, phone number, etc.) X the "I want to provide my contact information" square and fill out the resulting matrix.
- When you are finished, click on "continue." A page will appear with a tracking number on it, confirming that your submission was accepted. It will be posted under the docket number a few days later.
- The FAA is required to consider all comments post to the docket in response to a Petition for Exemption. Thoughtful, positive comments are an important element in convincing the FAA that the petition should be granted. If the petition is granted it could benefit other law enforcement agencies operating OH-58 aircraft.

Thank you.
